

The logo features the text 'wne' in a dark blue, lowercase, sans-serif font, with 'PARIS' in a smaller, dark blue, uppercase, sans-serif font below it. This is enclosed within a white circle. A yellow brushstroke ring surrounds the top and left sides of the circle. Below the main circle is a smaller white circle containing the dates '4-6 NOV 2025' in dark blue, uppercase, sans-serif font, also surrounded by a yellow brushstroke ring. The background consists of abstract shapes in teal and yellow.

Once your account is created, you can manage your entry form(s), you just have to Login.

Select the category you want to apply for

The screenshot shows the 'INNOVATION AWARDS' website interface. The top navigation bar includes links for HOME, COMPETITION, PREVIOUS WINNERS, and LOG IN - APPLY. The main header features the 'INNOVATION AWARDS' logo and a progress bar with three steps: Step 1 (Details), Step 2 (Summary), and Step 3 (Add to basket). The left sidebar contains sections for DASHBOARD, TRANSACTIONS (Basket (0), Saved items (0), Complete (2), Incomplete (1)), AWARDS (Nominations (3)), ACCOUNT, and LOGOUT. The main content area displays the 'Add to basket' step, which includes a search bar with the placeholder text 'Please select an item...' and a dropdown menu. Below the search bar, there is a 'Basket' section showing '0 items' and a message 'You have no items at the moment.' At the bottom, there is a detailed description of the category 'To boost Nuclear Installation Performance and LTO (Long Term Operation)' and a green button labeled '+ ADD SELECTED'.

To boost Nuclear Installation Performance and LTO (Long Term Operation)

x1 + ADD SELECTED

The performance of installations and their lifespan (Long Term Operation, or LTO) are major challenges for the nuclear industry to meet medium-term electricity needs. More broadly, performance reflects the ability of an innovation, a company, a collective, an action, etc., to achieve strategic, financial, operational, commercial objectives effectively and efficiently. This ability can be assessed through various indicators such as profitability, productivity, quality, customer satisfaction, etc.

Select the category (ies) you want to apply for.

NB : you can apply with 5 projects per category
