

SITEFLOW AI TRANSFORMING INDUSTRIAL OPERATIONS THROUGH INTELLIGENCE

EXECUTIVE SUMMARY

THE OPPORTUNITY

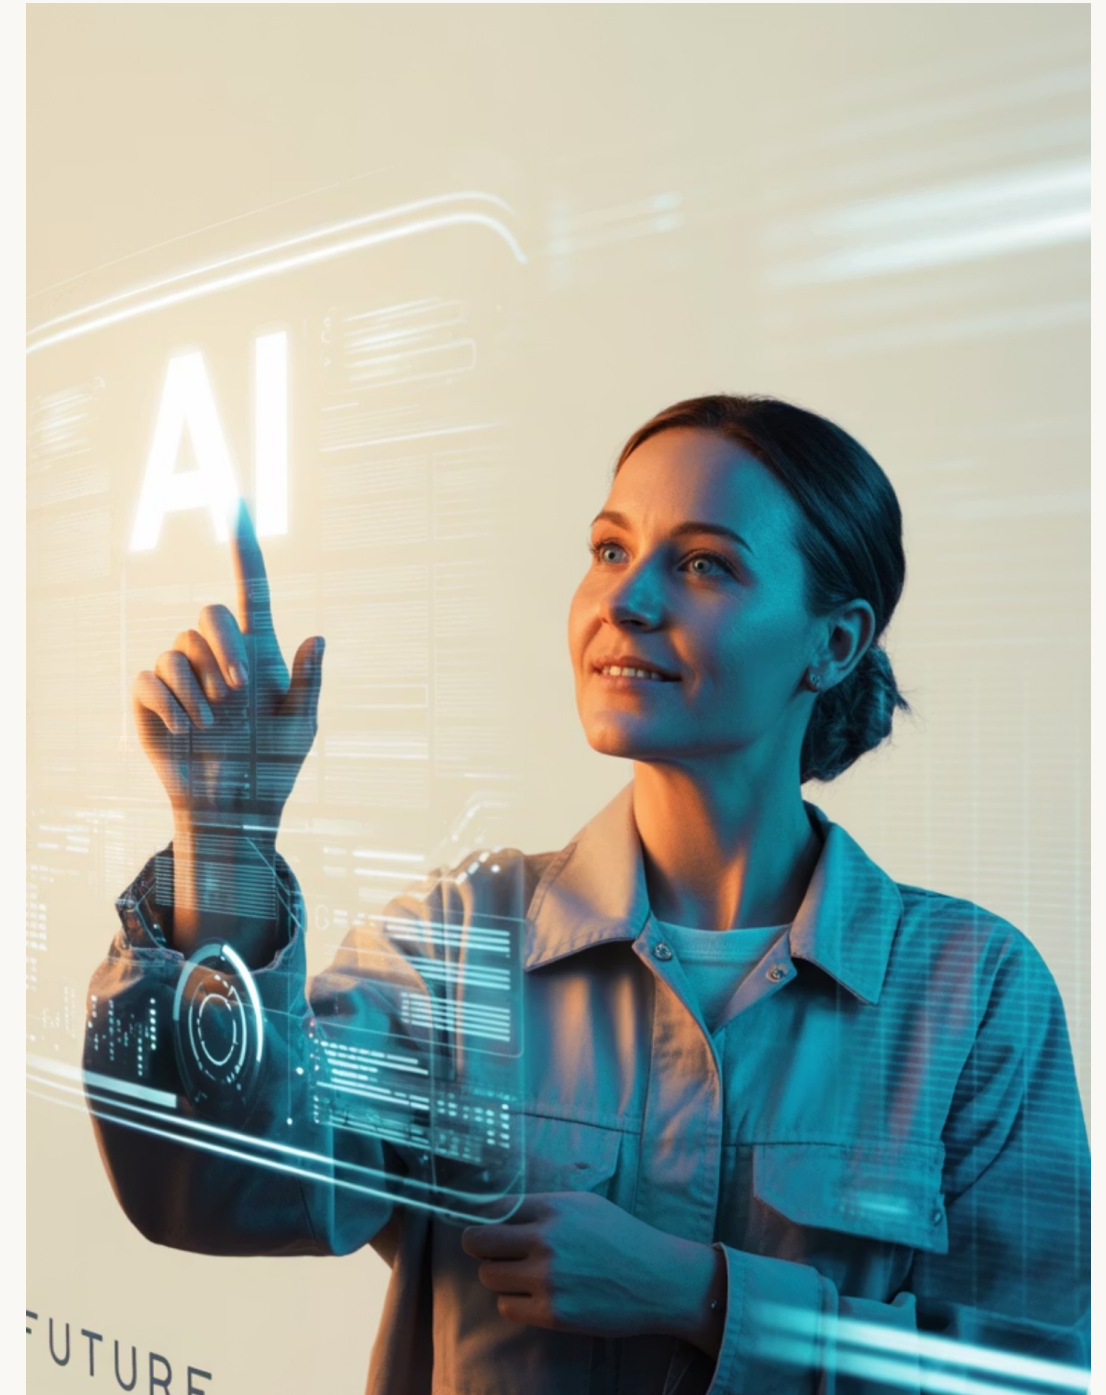

8 years of structured data from leading industrial clients

AI revolution in 2025: Leveraging our data moat to transform how industrial companies work

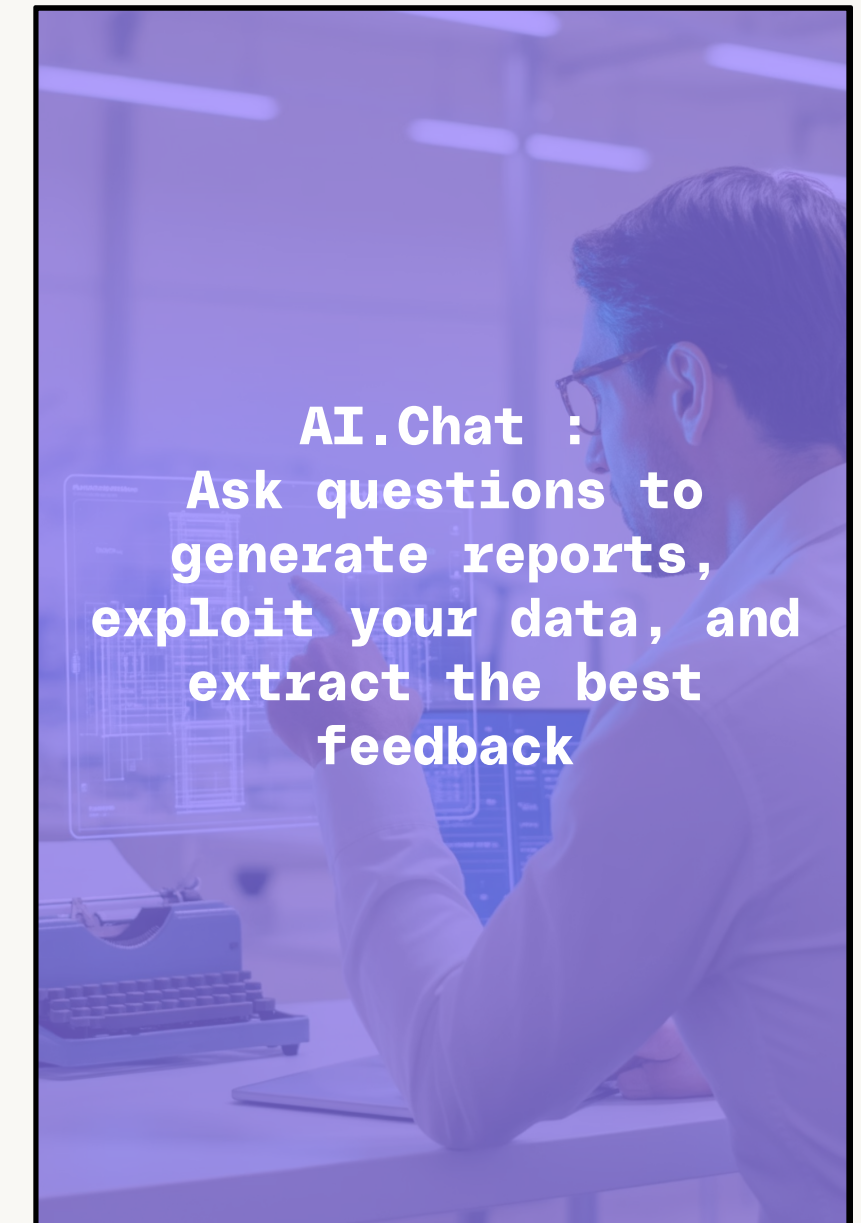

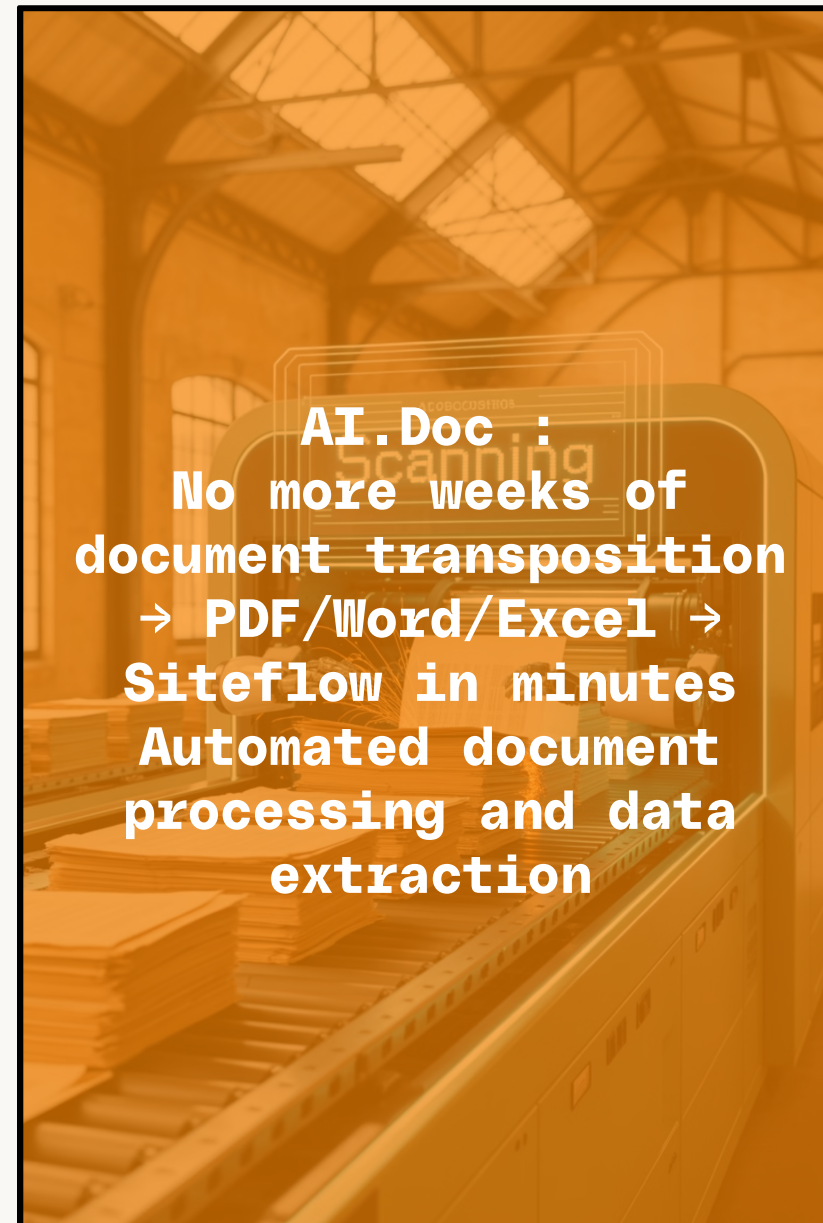

Target: Beta launch with 3 clients in 2025, commercial launch in 2026

OUR VISION

Transform complex industrial operations through AI-powered solutions that **reduce Time-to-Value** and **increase operational efficiency**

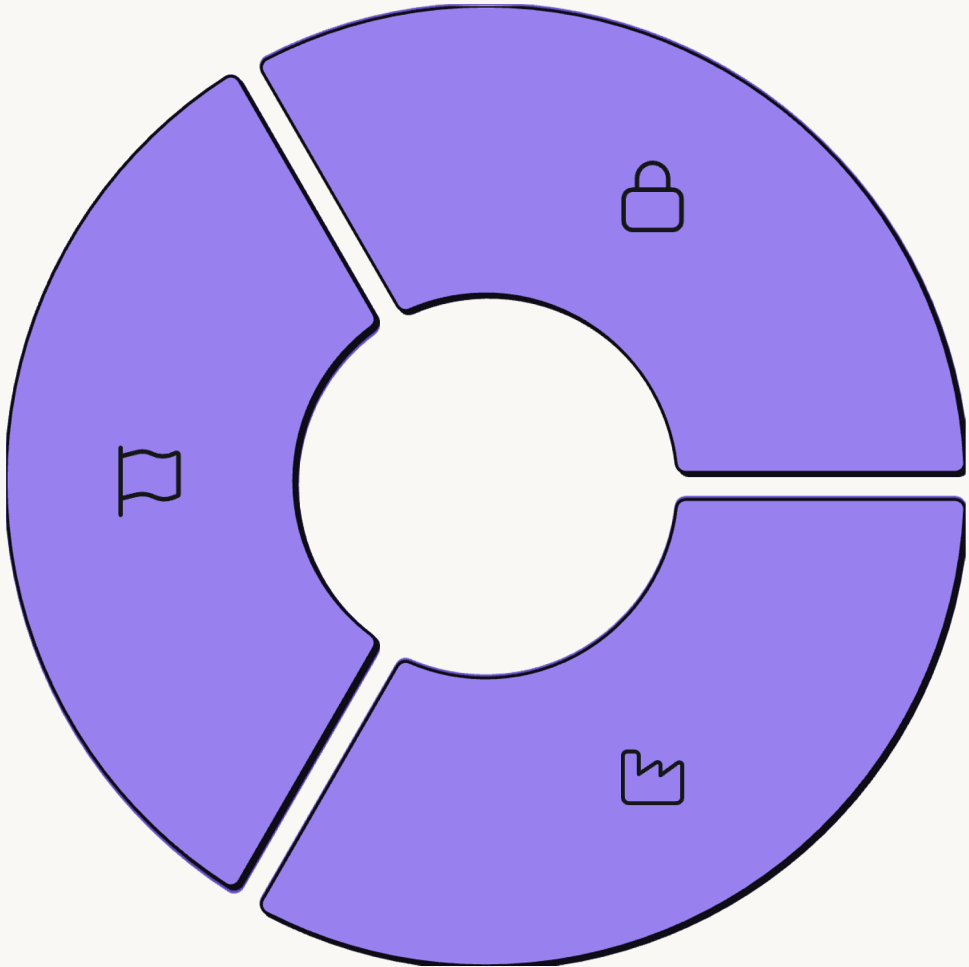

THE SITEFLOW AI SUITE: THREE GAME-CHANGING PRODUCTS

OUR DIFFERENCE: SOVEREIGNTY AND EXPERTISE

100% Sovereign
French cloud infrastructure.
Controlled open source AI models.
Total technological independence.

Absolute Security

Customer data remains CUSTOMER data.
No sharing with third parties.
Full GDPR compliance.

By and For Industry

Developed with industry experts.
Adapted to real industrial constraints.
Concrete solutions, not concepts.
