World Nuclear Exhibition (WNE)

NOVEMBER 4-6 2025

PARIS - FRANCE

Paris Nord Villepinte Exhibition Centre (Hall 6) - France

Join us for the 6th edition of the WNE (World Nuclear Exhibition) held from November 4 to 6, 2025. This global event for the civil nuclear industry will be taking on a whole new dimension this year with a new and larger hall reflecting the sector's current challenges and ambitious goals.

18 countries have already confirmed their presence with national pavilions showcasing their nuclear excellence.

TWO KEY THEMES AT THE HEART OF THE DISCUSSIONS:

- **NUCLEAR TODAY AND TOMORROW**

What are the key drivers for the nuclear industry's development? We'll explore topics like project deliverability, Artificial Intelligence, and new financing strategies.

- **BEYOND ELECTRICITY**

Discover nuclear applications beyond energy production—including medical, agriculture, space, hydrogen, heat, desalination, and propulsion—covering their current status and future outlook.

PROGRAM¹:

- Around **150 round tables**, plenary lectures, forums and workshops.
- More than **850 exhibitors expected, 44% of whom are international**, covering the entire civil nuclear industry value chain worldwide.
- The 2025 editions of the **WNE Innovation Awards** and the **WNE Startup Program**.
- **Job & Training Village**, a space dedicated to employment and training (initial and ongoing) designed to develop industry professionals' skills and attract younger generations.
- And a brand-new exhibition area, **BEE (Beyond Electricity Expo)**, dedicated to other nuclear applications.
